Note 1 - Activity Evenings

The Summer is here so let's put the OUT in scOUT. Choices lining up for activity evenings this year are: canoeing (canal & river), abseiling, cross country biking, backwoods cooking, OS shooting, swimming, and more. Be there!

Note 2 - The Maze

It's new, it's big, and some of it is in the dark! Your patrol must crawl around the maze, complete the challenges you find and get out before the maze collapses! It's a hot rocker not to miss!

Note 3 - Minibus Fund Raising.

The inter-patrol letter writing competition keeps going towards the summer months, with every donation received gaining patrol points. Our best fund raiser also receives a big prize! Details from your P.L. The P.L.s have also decided that the money raised from helping at Bike Events this year will be donated to the new minibus fund. A little help from every Scout and we'll soon be back on the road. Make sure you are available.

Chefs' Special: Jeremy, Paul & Richard cook a VIP meal and achieve another badgework pass - March '93

Note 4 - Bivouac Camp

During June you can learn all the skills needed to survive in the wild. Then there's the opportunity to survive in a bivouac - a shelter made from natural materials - during a one night stop at Horley. Places on this camp, organised by the patrol leaders, are limited, so watch the noticeboard and be ready for a quick sign-up, and an action weekend!

Note 5 - Quad Squad & Barbecue

Back by popular demand, an evening riding these three wheeled, motorized bikes around a specially deisgned course, sandwiched with burgers and hot dogs when you're not racing. And what's more - with the Action Team it's absolutely FREE!

THE BIGGEST & BEST - OFFICIALLY!

It's official! The Adderbury results of the government's national census helped prove that over 60% of all youngsters in Adderbury are part of the County's most successful Scout Group - 1st Adderbury - the No.1!

Sleep walking: Tired and muddy after a night hike, but with a badgework pass in hand these younger Scouts are well chuffed! - Nov '92

Note 6 - Adderbury Fun Day '93

Here's the event we've been keeping you guessing about. A mammoth fund raiser for our new minibus on the playing field, with a pig roast, a cricket tournament, side shows, action events, and as an Adderbury Scout you can be in with all the action - first. More details soon.....

SUMMER CAMP 1993.

After an April rethink the PLs' returned to Derbyshire to choose another Summer Camp Site - the first not being quite up to our standards. Our new field has a river, a wood, is well away from any roads and close to all the action. Summer Camp 1993 will be a red hot rocker - and one not to miss! Be there.

The Greasy Spoon: Scott, Daniel, Tom & William fry up Mothering Sunday treats - Mar '93
